## Brazil Sensations a 100% green DMC

Brazil Sensations is the first Brazilian DMC to engage itself in the carbon offset of its activities.

Besides our daily gestures to minimize our impact to our planet, Brazil Sensations decided not only to be ecological and socially sustainable, but as well to reinforce the regenerative tourism.

Following a long expertise by Agroforestry Carbon, our CO2 emissions are compensated in the form of contribution to certified projects in Brazil.

In line with the UN's Sustainable Development Goals (SDGs), our actions are concentrated in reforestation, preserving forests and its biodiversity as well as renewable energy sources whilst assuring the protection of vulnerable local populations.

These days, it has become difficult to ignore the impact that our tourism projects in Brazil can have to the environment. It is in this context that Brazil Sensations offers the possibility of a solution to every project such as to propose a carbon compensation of each and every journey to our beloved country.

## ENVIRONMENTAL IMPACT

- Recovery of degraded zones
- Increase in biological carbon sequestration
- Increase in the quality of the soil
- Source water protection
- Increase in biodiversity
- Increase in the area 's productivity

## SOCIAL IMPACT

- Diversification of cultures and productions
- Generation of a resilient economy
- Assuring food security
- Reinforcement of local productions
- Foods with higher nutritional value
- Better quality of life to farmers

## IF YOU SEE THIS SYMBOL

## OURO PRETO

Founded at the end of the 17th century, Ouro Preto (Black Gold) was the starting point of the gold rush, and the center of the gold cycle in Brazil in the 18th century. With the end of gold in the 19th century, the city began to decline, but without losing the beauty of its prosperous past, its churches, bridges and fountains - perfect examples of colonial baroque architecture of the times. Ouro Preto was the first site in Brazil to be classified by UNESCO as a World Heritage Site.

## OURO PRETO OPTIONS

### Guided Walking Tour of Ouro Preto

*Duration: 6 hours*

Immerse yourself in history with a walk to discover the most important sites of the city, such as the Church of Saint Francis of Assisi, built by the famous Aleijadinho, the Church of Nossa Senhora do Pilar, the Mining Museum, the Oratory Museum, and the Opera House. End the experience with a regional lunch to taste "Feijão Tropeiro" and "Tutu a Mineira" – lunch included.

## OURO PRETO OPTIONS

### **Guided Tour of Ouro Preto and Mariana – With lunch**

*Duration: 8 hours*

Just 12 kilometers from Ouro Preto, Mariana, founded in 1696 after the discovery of a gold-rich river, was the first capital of Minas Gerais. It is named after Queen Maria Ana of Austria of Portugal. Its fame largely comes from its baroque architectural treasures and its charming, historic houses, making it a pleasant town with few tourists. Lunch included.

## OURO PRETO OPTIONS

### Guided Tour of Mariana and Exploration of an Old Gold Mine

– With lunch

*Duration: 8 hours*

A descent into an old gold mine will complete the visit to this region. The wealth of this past wasn't baroque for everyone. Today, this recreational site is highly appreciated by curious visitors. The old rustic wagons, used to descend into the mine galleries, promise thrilling experiences!

### Visit to Inhotim During the Transfer Out

*Duration: 4 additional hours*

Enjoy your transfer by taking a detour to Inhotim. This institution is both a major center for contemporary art and a botanical garden, combining the beauty of nature with art, as well as a research center. The institute is said to have the largest collection of contemporary art in the world and the largest open-air museum in the world. Designed by the famous Brazilian landscape architect Roberto Burle Marx, the botanical garden spans 1,200 hectares (with one hundred hectares open to the public), featuring artificial lakes and a variety of animal species. It houses the largest collection of palm trees on the planet (1,500 varieties), as well as thousands of orchids, bromeliads, cacti, and giant water lilies (over 4,300 recorded tropical plants).

Lunch **not** Included

*Optional not available on the self-drive format*
