CREATING EMOTIONS

Brazil Sensations a 100% green DMC

Brazil Sensations is the first Brazilian DMC to engage itself in the carbon offset of its activities.

Besides our daily gestures to minimize our impact to our planet, Brazil Sensations decided not only to be ecological and socially sustainable, but as well to reinforce the regenerative tourism.

Following a long expertise by Agroforestry Carbon, our CO2 emissions are compensated in the form of contribution to certified projects in Brazil.

In line with the UN's Sustainable Development Goals (SDGs), our actions are concentrated in reforestation, preserving forests and its biodiversity as well as renewable energy sources whilst assuring the protection of vulnerable local populations.

These days, it has become difficult to ignore the impact that our tourism projects in Brazil can have to the environment. It is in this context that Brazil Sensations offers the possibility of a solution to every project such as to propose a carbon compensation of each and every journey to our beloved country.

ENVIRONMENTAL IMPACT

- Recovery of degraded zones
- Increase in biological carbon sequestration
- Increase in the quality of the soil
- Source water protection
- Increase in biodiversity
- Increase in the area 's productivity

SOCIAL IMPACT

- Diversification of cultures and productions
- Generation of a resilient economy
- Assuring food security
- Reinforcement of local productions
- Foods with higher nutritional value
- Better quality of life to farmers

IF YOU SEE THIS SYMBOL

BELÉM

Belém, capital of the state of Pará, is a metropolis framed by the forest that is well known to be a capital rich in colors, in smells and in flavors. The City will make you notice this at every street corner, be it in terms of gastronomy, folklore, flavors of fruit ice creams typical of the region. Belem is an exuberance in itself ... The city is also known as the "City of Mango Trees", for the quantity of these trees that can be found in its streets.

HISTORIC BELEM JOURNEY

Duration: 3 hours

The tour of the colonial part of the city preserves the charm of tree-filled squares, churches, and traditional blue tiles. The city boasts a rich history and architecture from the colonial era. Recently, it has witnessed a boom in skyscrapers.

The Ver-o-Peso Market (Portuguese: "see the weight") in the old port center is a major tourist attraction. An impressive and well-executed renovation project in Belém, the Estação das Docas complex (Docks Station), saw a total of three early 20th-century warehouses transformed into a modern commercial space, featuring a small theater, shops, and restaurants offering al fresco dining with a view.

Options

GUAMA RIVERBOAT DISCOVERY

Duration: 3h30

Embark from a private port for a panoramic cruise on the Guamá River, with views of Belém and various boats, including canoes and typical “popopô” boats. Circle around Combu Island and explore the Furo do Benedito, admiring the exotic beauty of the aquatic environment. During a walk, observe the lush Amazon rainforest and the life of riverine people, their survival strategies, and their use of natural resources like fishing and agriculture.
