CREATING EMOTIONS

Brazil Sensations a 100% green DMC

Brazil Sensations is the first Brazilian DMC to engage itself in the carbon offset of its activities.

Besides our daily gestures to minimize our impact to our planet, Brazil Sensations decided not only to be ecological and socially sustainable, but as well to reinforce the regenerative tourism.

Following a long expertise by Agroforestry Carbon, our CO₂ emissions are compensated in the form of contribution to certified projects in Brazil.

In line with the UN's Sustainable Development Goals (SDGs), our actions are concentrated in reforestation, preserving forests and its biodiversity as well as renewable energy sources whilst assuring the protection of vulnerable local populations.

These days, it has become difficult to ignore the impact that our tourism projects in Brazil can have to the environment. It is in this context that Brazil Sensations offers the possibility of a solution to every project such as to propose a carbon compensation of each and every journey to our beloved country.

ENVIRONMENTAL IMPACT

- Recovery of degraded zones
- Increase in biological carbon sequestration
- Increase in the quality of the soil
- Source water protection
- Increase in biodiversity
- Increase in the area 's productivity

SOCIAL IMPACT

- Diversification of cultures and productions
- Generation of a resilient economy
- Assuring food security
- Reinforcement of local productions
- Foods with higher nutritional value
- Better quality of life to farmers

IF YOU SEE THIS SYMBOL

It means that the chose service provider applies a conscious development vision and policy, aiming to give a positive impact to society and to respect the environment.

BRAZIL SENSATIONS works in priority with these suppliers.

TRAVELING IS AS EXPERIENCE

BRAZIL IN A FEW NUMBERS

Area: 3.2 million square miles (almost the same size as US – 3.8 million square miles)

Population: 209 million inhabitants with a density of 64.7/square miles (the US has a density of 87/square miles), 84% of its population lives in urban areas and 40% of Brazilians live in cities

Economy: Brazil is the largest economy in Latin America but also the world's 8th largest GDP (Gross Domestic Product).

Official language: Brazilian Portuguese

MANAUS

Manaus is situated at the confluence of the Negro and Solimões rivers. It is the most populous city of Amazonas as well as a popular ecotourist destination due to its location. Visitors come to see the forest's wildlife on its lands and its rivers. Tour boats leave Manaus towards the "Meeting of the Waters", where the black waters of the Negro River meet the brown waters of the Solimoes River, flowing side by side without mixing themselves up for about 6 miles. One can also explore river banks and "igarapes", swim and practice canoe in placid lakes or simply walk in the lush forest or stay at hotels in the jungle.

AMAZÔNIA

The Amazonia is the biggest biological reserve of the world, with numerous natural resources. A third of the living species on earth are in the Amazonian Forest. The Amazonas, a 5.500 km river, is the longest one in the world.

- **Departure for an exploration of the forest surrounding Alter do Chão.**

The adventure begins with a crossing of Lago Verde in a motorized boat to the main beach of Alter do Chão, Ilha do Amor ("The Island of Love"). A hike towards Serra Piroca will take you through "Cerrado" vegetation before starting a steep but relatively short climb of about 1 hour to the top of the Serra, where a spectacular 360-degree view of the Tapajós River, Lago Verde with its bays, the Amazon River to the north, and Alter do Chão to the south awaits you. On the return journey, you'll navigate towards a bay in Lago Verde where you can observe either the Igapós – the submerged forest when the waters are high, or the Igarapés, when the landscape in these Igapós changes completely due to the drier season. After a lunch in the forest, a short siesta in a hammock in the shade is a must. Following the siesta, the experience continues in another flooded forest, denser and with medium-sized trees, where a unique harmonious silence reigns. Upon leaving the igapó, you will ascend the Tapajós River to the Pindobal community. In the late afternoon, a ride along the majestic Tapajós River to Ponta do Muretá or Ponta do Cururu to watch the sunset, accompanied by Tucuxis and pink dolphins, will be the grand finale of this day.

MANAUS OPTIONS

HISTORICAL CITY TOUR OF MANAUS

Duration: 4 hours (lunch not included)

During the tour, we will explore the old part of Manaus, recalling the golden age of rubber that brought wealth and many monuments to the city. We will visit the square of the old City Hall, the City Museum, the Floating Port, and the Adolpho Lisboa Municipal Market, where you will see various fish, fruits, and flours. We will pass by the Rio Negro Palace and make a stop for photos. Finally, we will visit the famous Amazon Theater, a symbol of the opulence of the rubber era. After the tour, we will return to the hotel.

MANAUS OPTIONS

HALF-DAY RIVER EXCURSION TO THE ENCONTRO DAS ÁGUAS

Duration: 4 hours

Leaving the floating port, we will descend the Rio Negro, passing numerous shipyards and the busy Manaus port where large cargo and passenger ships frequently dock. We will see the Educandos neighborhood with its many wooden houses built on stilts, observing the daily life of the riverside dwellers living along the city's edge. We will pass a floating ice factory for fishing boats, various floating fuel stations, the wheat mill, and the Amazonas oil refinery until we reach the Meeting of the Waters, where the dark waters of the Rio Negro meet the muddy waters of the Solimões, forming the famous Amazon River. The two rivers run side by side for several kilometers without mixing. We will continue navigating to the lake in the Janauary Ecological Park, situated between the two rivers, and take a short walk along a suspended walkway in the jungle, where you will have the opportunity to see the giant Victoria Amazonica water lilies. We will return by regional boat to the floating port from where we departed. Hotel/port/hotel transfers are included in the package

AMAZONIA

ACTIVITIES PROVIDED BY THE LODGE

VISIT TO A LOCAL COMMUNITY

Duration: 1 hour

Visiting a local community in the Amazon is a unique and enriching experience, offering insight into the lifestyles and traditions of indigenous or caboclo (mixed-race) populations deeply connected to the rainforest. Upon arrival, you might be greeted warmly by community members, who often share their knowledge of medicinal plants, traditional hunting and fishing techniques, and artisan crafts.

BRAZIL SENSATIONS

AMAZONIA ACTIVITIES PROVIDED BY THE LODGE

SUNRISE OR SUNSHINE TOUR

Duration: 1 hour

Very early departure to see the rainforest coming alive for the day. The birds leaving the nesting grounds in search of food for the young, all sorts of animal calls and an unforgettable Amazonian sunrise.

BRAZIL SENSATIONS

AMAZONIA

ACTIVITIES PROVIDED BY THE LODGE

NATURE HIKE

Duration: 3 hours

During tour the guide will lead clients, educating them about the local flora & fauna, how and where to find edible fruits and potable water, first aid , how to find their way in the forest and much more.

BRAZIL SENSATIONS

AMAZONIA ACTIVITIES PROVIDED BY THE LODGE

FISHING TOUR

Duration: 40 minutes

A non-professional fishing activity. Depending on the season, you may catch the elusive piranha that nibbles your bait without a tug on the line or other species. The guide shows some of the tricks of the piranhas and how to catch them.

BRAZIL SENSATIONS

AMAZONIA

ACTIVITIES PROVIDED BY THE LODGE

NOCTURNAL SPOTLIGHTING ADVENTURE

Duration: 3 hours

We will depart by boat, crossing the Rio Negro at night to a designated location where we will transfer to motorized canoes for a photographic safari. Our experienced jungle guide, armed only with a flashlight, will focus on the eyes of caimans that shine like rubies in the night. The canoe will quietly approach the caiman, and the guide will attempt to capture it with his bare hands to show you. You will have the opportunity to see, photograph, and even touch and hold the caiman before it is returned to its natural habitat. You will also have the chance to hear the sounds of nocturnal wildlife.

BRAZIL SENSATIONS

AMAZONIA

ACTIVITIES PROVIDED BY THE LODGE

DOUPHIN INTERACTION

Duration: 3h30min

Departing from Manaus by speedboat, we will travel up the Rio Negro until we reach the floating platform of the dolphins. Once everyone is in the water, the caretakers entice the dolphins with some fish, and the dolphins come to feed from your hands. This is a moment of interaction, where the dolphins touch us and even jump out of the water for a selfie. Here, you can see and swim alongside various gray dolphins (Tucuxi) and pink dolphins (Botos vermelhos), known for their friendly interactions. It's an unforgettable experience of friendly interaction with these remarkable creatures.

AMAZONIA

ACTIVITIES PROVIDED BY THE LODGE

VISIT TO THE CASSAVA FLOUR HOUSE AND MEDICINAL PLANT GARDEN

Duration:

You will visit the cassava flour house, locally known as "barracão de farinha." Due to the acidity of the waters of the Rio Negro and its consequent lack of minerals, soil cultivation is more challenging. Cassava is therefore an important product from which caboclos extract not only flour but also various other products essential for their daily life, such as tapioca, beiju, tucupi, and goma, which are ubiquitous in Amazonian homes. Additionally, you will explore the caboclo garden, filled with various medicinal herbs, resembling a true pharmacy in the backyard.

BRAZIL SENSATIONS

AMAZONIA

ACTIVITIES PROVIDED BY THE LODGE

CANOEING THROUGH THE IGAPÓS AND IGARAPÉS

Duration:

To understand what the famous "igapós" are—the infinite reflections that form during the flood season—one must literally enter the flooded forest. On board traditional wooden caboclo canoes, travelers discover new landscapes at every turn.

BELÉM OPTIONS

HISTORIC BELEM JOURNEY

Duration: 3 hours

The tour of the colonial part of the city preserves the charm of tree-filled squares, churches, and traditional blue tiles. The city boasts a rich history and architecture from the colonial era. Recently, it has witnessed a boom in skyscrapers.

The Ver-o-Peso Market (Portuguese: "see the weight") in the old port center is a major tourist attraction. An impressive and well-executed renovation project in Belém, the Estação das Docas complex (Docks Station), saw a total of three early 20th-century warehouses transformed into a modern commercial space, featuring a small theater, shops, and restaurants offering al fresco dining with a view.

BELÉM OPTIONS

GUAMA RIVERBOAT DISCOVERY

Duration: 3h30

Embark from a private port for a panoramic cruise on the Guamá River, with views of Belém and various boats, including canoes and typical “popopô” boats. Circle around Combu Island and explore the Furo do Benedito, admiring the exotic beauty of the aquatic environment. During a walk, observe the lush Amazon rainforest and the life of riverine people, their survival strategies, and their use of natural resources like fishing and agriculture.
